Romans 5:20-21
An analogy of Adam and Jesus

Now the law came in to increase the trespass, but where sin increased, grace abounded all the more, 21 so that, as sin reigned in death, grace also might reign through righteousness leading to eternal life through Jesus Christ our Lord.

One man...one deed

Adam was the first man...and the first sinner

People are not sinners because we sin. No, we sin because we are sinners.

3 Observations:

1. God is always just
2. We are not different from Adam
3. We are connected to Adam...and to Jesus!

The huge difference between Adam and Jesus

What happens when we break God's law?
When sin increases...grace abounds!
