ALL IN CHURCH: [September 27th](#)

Join us for the "All in Church" class on Sundays, September 27th, October 4th, and October 11th at 10 am in the Chapel Board Room. Each class will be 45 minutes long. We think it's so important that we show our kids that attending services is a vital part of our disciplines as Christ followers and to ensure they feel welcome in service and know they belong with the entire body. This class is an opportunity for us to cast that vision to the Body. The class will cover the biblical argument for worshipping together, the history of Sunday school and why it is the way it is now, as well as tips and tricks for how to get started bringing your kids to service. [Registration](#) is free, and anyone interested is welcome to attend.

MIDPOINT PODCAST: [Would You Rather?](#)

What was the purpose of the "gather" series? What stops people from getting involved in church? Is it more important to give money to the church or to get involved in a small group? What about serving in a ministry on Sunday? Why does it matter? What can we, as a church, do to help others in the church move the needle and stop sitting on the sidelines? All this and more on this week's episode. Enjoy! [HERE](#)
