OCC PODCAST'S MIDPOINT #86- There's a reason we don't film these

This week, James and Brenton discuss why everyone wanted to kill Paul, how to practically abide in God rather than do it yourself, redos, being taught amongst the thorns, seeing progress in sanctification, and, of course, a bunch of other things. Enjoy! As always, don't forget to like, follow, share, and subscribe for more midweek content and Sunday messages. To listen click [HERE](#).
